● THE WINNING
APPROACH

● CUSTOMER DELIGHT

Customer Delight is not just a buzz word in today's business scenario, but it is a language spoken that's turned into our corporate philosophy at Namishree Infrastructure Pvt Ltd.

Over 5 years of rich experience in housing and property development and successful projects like Prestige Green Valley, instigated the promoters at Namishree Infrastructure Pvt Ltd to start an infrastructure company to cater to the bi-end segments of the society.

The professionalism and commitment coupled with their vision to excel has given birth to the concept of integrated townships. The project is conceptualized and designed to meet the fast changing needs of the people who wield the batons of power in top corporates who are making Hyderabad their desired destination.

The vision & excellence of Namishree Infrastructure Pvt Ltd will surely set new benchmarks and standards in the housing and infrastructure industry in Hyderabad city.

COMFORTS AND LUXURIES

Located at Kothapet (Balapur), well connected to the main city and the Hi-tee City, Nakshatra is just 8 kms from Koti. Considered to be the heart of the twin cities, tipped as the most sought after destination for the high-fliers and the who's who of the society, it is conceived and designed keeping in view the comfort and luxury standards of the modern day.

It comes with outstanding features like global standards in housing projects, serene environment, easy accessibility to varied resources apart from being strategically located close to some of the fast developing and developed places in Hyderabad.

The concept to integrated gated community takes birth out of this thought process and is bound to instigate quick and high appreciation of the investments in Nakshatra.
